Dear Roger:

We have found a supplier who is willing to make a sample quantity of neoprene bulbs for the pneumatic back cushions at a reasonable price. We would appreciate an indication or order of how many you would like.

I recommend that we get more price info from J. Rusekha. The project would need approx 35 ea bulbs - The bulbs at deta are of natural rubber and are rotting out due to ozone deterioration.

*OK 16 Feb 59
Purchase 35 ea.
